PRESS RELEASE

JS MUELLER & CO STAFF ANNOUNCEMENTS

Retirement

It is with mixed emotions that we announce the retirement of Bruce Bentley, partner of JS Mueller & Co, effective 30 June 2016.

Bruce joined JS Mueller & Co on the 5th July, 1982 and has been with our firm for 34 years. His significant contribution has been instrumental in paving the way for JS Mueller & Co to be the leading strata law firm that it is today.

Bruce has acted for owners corporations, owners and developers over an extensive career, which includes numerous highlights such as carriage of the first strata title leasehold development in NSW.

Bruce said: "I am proud to have been a part of JS Mueller & Co and the strata industry. I have worked with some amazing people and would like to thank them and my clients for their support over the years".

"I am truly grateful for Bruce's contribution over the years and wish our friend and colleague many years of health and happiness in retirement", said Jeffrey Mueller, Bruce's partner.

New Partner

We are also proud to announce the appointment of Adrian Mueller to partner, JS Mueller & Co, effective 1 July 2016.

Since 2002, Adrian has specialised exclusively in the area of strata law, and his knowledge in this area is second to none. He is renowned for having an outstanding grasp of all aspects of strata law and for providing well-written, detailed and easily understandable legal advice.

In recent years, Adrian has been at the forefront of strata law delivering a number of groundbreaking papers to strata lawyers and for lecturing extensively on a range of strata law topics.

In recognition of his outstanding ability, Adrian is the youngest person to have been admitted as a Fellow of the Australian College of Community Association Lawyers, the peak body of strata lawyers in Australia.

"I am truly proud of Adrian's achievements and welcome him as a partner of JS Mueller & Co and know he will make a significant contribution into our future".

"We've been providing a range of exceptional, professional strata legal services for over 30 years. Our success is due to our in-depth experience and comprehensive knowledge of strata law and we will continue to deliver our first class service to clients", said Jeffrey.

We are continuing to build our team with expertise in the property and strata areas. As our team expands and grows, we will keep you up to date with the latest developments.
